

# MOW WEEKLY UPDATE!

1/18/2011

Hello MOW folks and welcome to the next installment of the MOW weekly Update. For those of you who have not already taken the Part 214 training class we have one more left on Saturday, January 22, 2011 at 9:00 a.m. in the CSRM theater. Be there or be square.

## WEEK IN REVIEW:

**Tuesday:** We did some great MOW work in the shops. Things happened and people were happy!

**Thursday:** Richard and John went out and measured the siding at clunie. While Bert continued work on the motor car roof.

Steve Biggs with the spiker while Kevin H. and Mike look on.

**Saturday:** A great crew worked on a tie change out. After a lengthy lead up to getting out on the line, we were able to change 31 ties using the shear, scarifier, air compressor, and the tamper until it broke. A good crew and a good job.

Looking back from the Shear on the Tie Gang.

## WEEK AHEAD:

**Tuesday:** We are planning on meeting at the shops as normal. 3:00 p.m. for those with freedom and wisdom, and 5:00 for those less smart and still working.

**Thursday:** We will meet at the shop at 5:00 p.m.

**Saturday:** MOW part 214 training in the theater starting at 9:00 a.m. with some mow work on the line in the afternoon after we finish the training.

See you out on the line,

John, Sandy, and Chris

The crew plating the ties and spiking.
