**CIRCULAR –16**

**OPENING SIDE DOORS—BOX CAR PFE300001**

**APRIL 25, 2014**

Only those persons designated by the Chief Mechanical Officer are authorized to open and close the side doors of Car PFE300001.

Before proceeding, a mechanical department employee must inspect the top and bottom door rollers and holders to insure that they are not damaged or defective and that it is safe to proceed.
