CIRCULAR -21

TEMPORARY GRADE CROSSING WARNING SIGNS

APRIL 25, 2014

Temporary single sided grade crossing warning signs have been obtained for use at the "J," "K", and "L" Street grade crossings. These signs are mounted in the "A" frames formerly used for that purpose.

uring any passenger train operations, these signs shall be placed on the east and west sides of the above grade crossings.

The Trainmaster, or if no Trainmaster is called, the Conductor will be responsible for ensuring that these signs are placed and removed at the beginning and end of each operating day.
