CIRCULAR –27

SERVICE ANIMALS ON SSRR PASSENGER TRAINS

APRIL 25, 2014

Patrons accompanied by Service Animals are by law, permitted to ride on SSRR passenger trains.

Crewmembers shall not ask for written proof or documentation that the animal is a Service Animal.

When a patron with an animal asks to ride the train, respond by advising them that only Service Animals are permitted on board.

If the patron states that the animal is a Service Animal, accept their assertion, and do not deny boarding.

This complies with the current policy of California Department of Parks and Recreation, relative to Service Animals.

End of Circular — 27

Richard. N. Noonan
Manager of Railroad Operations
